the dates and at the places specified against each plantation by the District Forest Officer, subject to confirmation by the Conservator of Forests when the value exceeds Rs. 500 :—

Name of the taluk and forest range	Name of the plantation	Area in acre	Distance from taluk headquarters or railway station	Place and date of sale
Chikmagalur Taluk, Kadur Range.		A. g.		
Do ..	1. Angajanahalli ..	10 0	Within five miles of Chikmagalur.	9th July 1927, Chikmagalur Sandalkoti at 2 P.M.
Do ..	2. Kadrimadri ..	10 0	Do ..	
Do ..	3. Mathavara ..	146 1	Do ..	
Do ..	4. Turuvanahalli ..	20 0	Three miles from Kadur	

2. The successful bidder will be required to deposit 25 per cent of the purchase money, soon after the sale is closed and to pay the balance together with the local cess at one anna per rupee, railway and education cess at six pies per rupee on the whole amount within seven days from the date of confirmation of the sale, failing which the deposit shall be forfeited to Government and the right resold at the risk of the first purchaser who will not participate, however, in any gain, but will make good any loss sustained by Government, by such resale the deficit being recoverable as a revenue demand under Section 79 of the Mysore Forest Regulation. License to grass cutting or to begin grazing will be issued immediately after the confirmation of the sale and on full payment of the sale amount together with the cesses thereon.

3. The purchaser shall not sublet the harvesting as pasturage without previous sanction of the District Forest Officer. When such sanction is accorded the sub-lessee will be bound by all the terms and conditions of the sale jointly and severally with the original purchaser. The purchaser shall furnish a list of men allowed to enter the plantations, etc., to cut and remove grass and shall hold himself responsible for breach of any of the Forest Rules and for the occurrence of fire in the plantations, etc., due either to himself or his men, which will be dealt with under the provisions of the Mysore Forest Regulation. He shall deposit a sum equivalent to 10 per cent of the purchase money for the due fulfilment of the lease and shall execute an agreement for that purpose.

4. The purchaser shall not scrape or dig the grass in the plantations, but shall only cut and remove it or graze it as the case may be.

5. The grass crop in the plantations will be allowed to be cut and removed or grazed, as the case may be, only between sunrise and sunset up to the end of the period stipulated, *viz.*, end of December 1927. No storage of grass will be allowed in them. Cattle will be allowed to graze in such of the plantations as the case may be, only between sunrise and sunset.

6. The purchaser will not interfere with any forest operations such as planting, sowing and felling, etc., that the Forest Department may wish to conduct in the leased area. Should any damage be caused by such operations to the grass crop, he shall not be entitled to any compensation.

N.B.—The lessee will maintain the fencing, trench and other boundary marks in order.

7. Tree growth should not be injured or lopped.

8. In the event of breach of any of the conditions specified in the sale notice or agreement the lease will be liable to be cancelled, all the produce collected confiscated and a penalty not exceeding Rs. 25 levied and recovered as an arrear of land revenue by the District Forest Officer and the security deposit or part thereof forfeited.

P. WOOTHAIYA,
District Forest Officer.

ENGINEERING DEPARTMENT.

MYSORE DIVISION.

Tender Notice dated 17th June 1927.

FORM OF ADVERTISEMENT.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 31st July 1927 for restoring Volagarahalli tank, Mandya

Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1928.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of rupees two hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Volagarahalli tank," Mandya Taluk, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond ; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

A. TANDONI RAO,
Executive Engineer.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 21st June 1927.

Tenders for carting materials for one year from the date of acceptance will be received in the office of the Chief Electrical Engineer to the Government of Mysore till 12 noon on Monday the 11th July 1927, from City Railway Station to C. P. S. Central Stores near Binny Mills, and form Central Stores or Railway Station to Bangalore Power and Lighting Stores and *vice versa*.

The tender should be enclosed in sealed covers and superscribed as "Tenders for carting contract to be opened on the 11th July 1927."

No departmental help will be given for loading and unloading and the contractor will have to employ his own men, unless the packages are too heavy requiring careful handling, when the departmental help may be sought for.
